HOMAGE

GAURI SHANKAR JI LOHIA

College was christened as G. S. Lohia College as homage to the futuristic attitude and modern outlook of this great soul towards girls' education. His tireless efforts towards the cause inspired all around him to work in unison and keep the torch lit.

Every institution is the brain child of a person with vision, progressive thinking, clarity of commitment and above all service to humanity for their growth and upliftment. G. S. Lohia College is the culmination of these ideas matured into reality.

MOTTO

Dissemination of information and knowledge as a centre of excellence in higher education by imparting quality education and pursuing research studies.

CREST

The logo symbolizes the institution's commitment to excellence in education and student success. The crown at the top signifies achievement and high standards, while the surrounding stars represent aspiration and guidance. The laurel wreath encircling the logo denotes victory and honour. At the centre, the book and torch signify knowledge and enlightenment, flanked by wheat ears symbolizing growth, and a pen nib highlighting scholarship. The navy blue and gold colors convey trust, stability, prestige, and success, reflecting the college's long-standing tradition of fostering academic excellence.

VISION STATEMENT

G. S. Lohia College visualizes young women as illuminators of their paths who can be better empowered through a progressive approach towards the advanced trends of education. Our vision frames not only to be a leading centre of excellence in academics, but also grooming each young woman comprehensively, allowing her liberally to pick up the flowers of learning.

Through an unparalleled educational journey that is intellectually, socially, and personally transformative, GSLC seeks to prepare resilient leaders of the challenging world, bearing an assertive personality and committed to transforming learners of all ages.

MISSION

Embracing GSLC's goals of transforming young individuals into supernumerary leaders of tomorrow, we are committed to:

- provide holistic education wherein trans-curricular skill sets are polished to help them acquire a competitive positioning in the changing global scenario.
- promote a culture of educational excellence, from within a caring and secure environment enriched with the values of discipline, mutual care and respect, which extends beyond the campus into the wider community.
- secure excellence through a personalised approach in developing habits of mind that innovate, inculcating the spirit of self-expression and independent judgement, and cultivating aesthetic sensibilities and moral values.
- instill high aspirations, a desire to learn, insatiable thirst for hard work, and ambition to achieve.
- integrate the different levels of being so that the emergent personality is free from conflicts and is able to live in harmony with her surroundings with confidence.
- develop a cohesive identity so that our students, their parents and communities feel a strong sense of belonging to the Star "family".
- enhance the commitment of faculty members in creating and sustaining a focused and supportive climate throughout the campus.

GOALS AND OBJECTIVES

- To spread commerce education in this region i.e, the north east of India.
- To achieve academic excellence.
- To strive for better results.
- To offer the best infrastructure facilities to students, teachers and employees.
- To strive to offer specialized courses.
- To strive full employments for its alumni through service and entrepreneurship.
- To mould students into ideal citizens with high human values.

ABOUT US

The little sapling of G.S. Lohia Girls' College that was planted by Lohia family and some social workers of Tinsukia(Under Shree Kanya Pathshala Trust) in the year 1996 has grown to be a big tree giving shade and nourishment of knowledge and life lessons, along with co-curricular excellence. In Tinsukia town, the atmosphere hits you with a blast of hot air from the streets, hustle bustle everywhere, vehicles exhaling obnoxious fumes, supermarkets, sundry shops, vendors and street hawkers, everything makes you feel exhausted, but in midst of all this impaired by the noisy environment, this place holds a distinctive aura due to the presence of the holy temple that makes the whole atmosphere, with excited voices and peals of laughter of the students.

The Institution has gradually grown across the years adding many golden feathers. It has always been the premier institution for female students, willing to pursue higher education in commerce. It is the first self financed college under Dibrugarh University.

Since the establishment of the college our students are regularly securing ranks in Dibrugarh University. Till now 26 batches of graduates have come out from our college and 15 times our students secured the First Rank under Dibrugarh University from 1999 to 2025. It has been possible only because of hard work and dedication of students along with the teaching faculty. All the teaching faculties of the college are well qualified, experienced and dedicated. The teaching staff are also ably supported by our management. Classes engaged by the Governing Body member CA Shree Ram Agarwal are looked upon enthusiastically by the students. Support of CA Shashi Bhushan Goel is also worth mentioning who time to time visit our college as a visiting faculty.

Our college also started M.Com (Centre for Distance and Online Education, Dibrugarh University) in the year 2005, with only five students. But, in the short span of time our college became the most preferred institution for M.Com (under distance education) for the female students. Though M.Com course offered by us is under Distance Education, we are providing regular classes to the students along with library facility.

Initially, our college started in the premises of Budding Buds Senior Secondary School, but in the year 2010 it was shifted to its own skillfully architected building named 'Lopa Mundra'. We can now boast of large classroom with excellent public addressing system facilities, ICT enabled teaching by way of projectors and Smart boards and Air Conditioners for comfort and ease. A well-stocked library cum computer room with Internet is also available for students and faculty. We also have an efficient medical unit and an infirmary for immediate medical attention. Moreover, the recently built state of art auditorium has been proficiently designed with an excellent acoustic system and has a capacity of holding populous audience with the provision of balcony enabling a vista view.

Our College stands as a trend setter in quality education. It believes that the true potentials of such students cannot be realized through academics alone. The students need to be provided with opportunities for exploring and enhancing their talents in extra-curricular activities as well. Accordingly, our academic programs are backed by appropriate co-curricular inputs promoting culture, sports, self-governance and values, all of which help the students towards becoming complete human beings. It helps to collaborate with the young in bringing all their talents to fill maturity.

Through the medium of elected student's council the students run every facet of college activities-especially the inter-college fest-"ENFETE", compounding fervent planning, passionate practice, an extravaganza of enjoyment, unparallel cultural performances, literary composition and sports activities. This four daylong event is tailored every year by the brilliant minds in a splendid and magnificent manner. The terrific efforts put by the students of creating a benchmark of taking the event to a superior level each year is highly appreciable. Unveiling, the hidden talent of students of different colleges to mirror out an elegant picture of creativity, intelligence and innovation is the chief motive of propelling Enfete.

Every year the fresh faces are welcomed and outgoing batch are given last hours to cherish, by beautifully organizing a lavish "Fresher's cum farewell meet. "This program presents an interactive session, lot of entertainment piece and distribution of rewards and mementos to the farewell students wishing them an enlightened future ahead. Moreover the students coordinate together to arrange a fabulous 'Teacher's day to pay tribute to their teachers who are extremely genial, understanding, true guide and a torch to show the brighter path.

If we talk of academics, we can proudly say that in the past years our college has grown from strength to strength to its majestic splendor. The consistent efforts and hard work of teachers and students have culminated into large number of successful results over the years. The students of G.S. Lohia Girls College have always proved themselves in academic fields by procuring the first ten positions in the Dibrugarh University.

We are now planning to expand the scope of our college, and very soon a few more courses will be introduced so as to give more options to the students.

The all round support of the management in various aspects of the development of the college is commendable. Our Governing body members not only give their valuable time in developing and managing the college but are also involved personally in the academic field. President of the Governing Body Sri Sudhir Lohia, Secretary Sri Mahabir Prasad Khaitan, Governing Body Members CA Shree Ram Agarwal and Sri Dipak Lohia are available 24 X7 for the college. Their selfless dedication has only made it possible to take the college to such a great height.

Lets us also acknowledge the learned masters, both past and present, the teachers and other members' staff who have contributed their might towards the moulding of our temple. May the story of G.S. Lohia College continue by building on the strong foundation laid by the great missionaries! May the institute continue their mission of imparting quality education with the support of a band of committed and hardworking members of the Governing Body, Teaching and Non- Teaching Staff and the highly motivated parents of G.S. Lohia Girls College! May the legacy of the pioneers continues with greater enthusiasm and commitment.

We at GS Lohia College uphold the legacy of commitment to high-end excellence, bestowed upon us by our visionaries.

Embracing a New Chapter: In a historic stride, our college proudly transitions into a co-educational institution in 2023, widening horizons for knowledge and growth.

G.S. LOHIA COLLEGE

In order to harmonise the traditional values of India with new values brought through the advancement in science and technology, we will have to give serious thought to the following- Are we mentally, politically, socially, spiritually prepared to go ahead with the task of modifying our educational curricula for transformation of human beings? Do we have competent human resource to effect this transformation? We intuitively nurture the feeling that the present-day youth has in it the desired will power, inherent talent and is raring to go to the call of attaining great heights.

G. S. Lohia College has evolved with a missionary zeal over the years through the ingenuity and statesmanship of a few renowned personalities of the town who have been selflessly associated with the cause of upliftment of education through all its avenues.

G. S. Lohia College stands as a trendsetter in quality education. We ensure all round development primarily by concentrated academic focus by individualistic review and feedback mechanism. Academics is backed by appropriate co curricular inputs by way of workshops and regular events and competitions to nurture self development, group coordination and self governance. The College Calendar enlists meticulously planned activities encompassing all facets.

As the newcomers step into the college they witness a fully fledged electoral process to nominate themselves, campaign and vote for deserving candidates to form an autonomous Students' Council.

Students are the chief participants in tabulating various fests, celebrations in the institute. It is a fact that every major event in the college is straightened out. Handled and systematized solely by the students body. The advantage of such a policy of investing autonomy in the students is manifold. It gives them a sense of maturity of shouldering responsibilities and prepares them for their future to tackle the circumstances better.

We strive towards perfection and relentlessly march towards attaining it.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of an institution's system and works towards realising the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The work of the IQAC is the first step towards the internalization and institutionalization of quality enhancement. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or record-keeping exercise in the institution; it will be a facilitative and participative voluntary system/unit/organ of the institution. The IQAC has the potential to become a vehicle for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

GENDER SENSITISATION (GENSEN) COMMITTEE AND INTERNAL COMPLAINTS COMMITTEE

G. S. Lohia College is committed to maintaining a positive climate at work, in which individuals can work together in an environment free of all forms of violence, harassment, and discrimination on the basis of gender. By the term 'Gender Equality', we mean the work-life balance, protection from any kind of harassment and the right to work with dignity, which is a universally recognized human right. A 'GenSen Committee' has been formed, which acts as a primary body to address the issues against gender inequality and harassment.

The GenSen and Internal Complaints Committee's role will include the following-

1. To play a preventive role by making efforts towards sensitization of the staff on Gender issues by conducting periodic programs and in-house workshops/ gatherings.
2. To take cognizance of complaints about Harassments, conduct proper enquiries, provide assistance and redressal to the victims, recommend penalties and action against harasser, if required.
3. In case of any Sexual harassment complaint, to facilitate the complainant for filing a case to the Indian Penal Code (IPC), if required.
4. Ensure Safety and equality at all levels at the workplace.
5. To recommend arrangements for appropriate emotional, psychological and physical support (in form of counseling and other assistance), if desired by the victim

S.C/ S.T/ O.B.C./ M.O.B.C/ MINORITY CELL

Scheduled Castes and Scheduled Tribes have been identified as the two most backward groups of Indian Society. They include all such castes, races or tribes, which have been declared as scheduled castes and scheduled tribes by the Constitution of India under the provisions of Article 341 and 342 of the Constitution of India. Scheduled Castes generally represent those communities, which have suffered from the stigma of untouchability in one form or the other. Scheduled Tribes are generally those who have been living in seclusion in hills and forests, more or less untouched by modern civilization and development.

Aims and Objectives

- To bring the students of S. C. & S. T. community at par with the mainstream student body.
- To take up some measures for the special community students in fostering their overall development.

FUNCTIONS

The Cell is committed to provide assistance to the SC/ST/ minority students through counseling, personality development, development of communication skill, remedial coaching, tutorial classes, and preparatory classes for professional and employment purposes, etc. The Cell is actively engaged in coordinating and resolve the problems in the matter of conduct of remedial coaching and other measures with a view to see that the education system succeeds in bringing the Scheduled Castes and Scheduled Tribes to a level quantitatively as well as qualitatively indistinguishable from the level of the rest of the society.

SNAPPED MOMENTS!

COLLEGE ANTHEM

G. S. Lohia College

Solicits and solemnises

The latent to incarnate laureates

O, Lord

Render us courage, health, determination
and stance to instil in us a resonance

An epitome of knowledge

Manifests and gesticulates

The perfection to bestow accolades

O, Lord!

Bless our hermitage with such eminent radiance

We rear a world of excellence

Angels in us we acknowledge

Idealising and harmonising

Our savoir-faire in all dictates

O, Lord!

Hold high our adage of enlightening the
ambience

And into the world make a graceful entrance.
